From the noblest tradition is drawn the elixir of elegance. A soft, refined and measured elegance, such that it can be rediscovered eclectic and bold when combined with other effects. Glow is inspired by the highest expression of terrazzo, pursuing a silky reinterpretation softened by the neutral colors that articulate the collection.

Dalla più nobile tradizione si attinge l'elisir dell'eleganza. Un'eleganza morbida, raffinata e misurata, tale da potersi riscoprire eclettica e audace quando accostata ad altri effetti. Glow si ispira alla più alta espressione del terrazzo, perseguendone una rivisitazione setosa, addolcita dai toni neutri che articolano la collezione.
