GRACEWOOD

Wood immortalized in its essence. Nature, substance and finally reality. A reality without frills but alive with its own pure and delicate image. Gracewood is a wood-effect collection that, just like the name from which it takes its inspiration, accompanies the aesthetics of the space where it is meant to be, with great grace and harmony.

Il legno immortalato nella sua essenza. Natura, sostanza e infine realtà. Una realtà senza orpelli ma viva della propria immagine pura e delicata. Gracewood è una collezione effetto legno che, proprio come il nome da cui prende ispirazione, accompagna l'estetica dello spazio in cui si va ad inserire, con grande grazia e armonia.
